Creating lasting change...

Year in Review

The Gianforte Family Foundation exists to support those who work to improve the lives of others for the long term. The foundation's first year was marked by major contributions to organizations providing quality education, which in turn creates informed individuals who are able to influence their world for good. In addition, the foundation's support this year included programs for at-risk youth, the local pregnancy caring center, the local public library, and a state-wide organization working for social reform, to mention a few.

We recognize that there is much work still to be done. We are proud to contribute to the many organizations who are diligently working to this end.

While there are many worthy fields in philanthropy, we have chosen four areas in which to focus our giving so that our foundation can be most effective. Below is a general description of each focus area.

Jobs, Education, and the Family

These organizations work at levels ranging from local to international, advocating issues like school choice, quality education, religious freedom, economic improvement, and traditional family values.

Bozeman Arts and Culture

These organizations enhance the Bozeman community by providing local programs and cultural opportunities.

Valuing and Protecting the Vulnerable

These organizations work to help the hurting and lift people out of poverty by providing disaster relief, education, and emotional and spiritual support.

Christian Outreach and Discipleship

These organizations minister the Christian faith by sharing the gospel, providing discipleship, and supplying faith-based resources to individuals and families.
