Annual Giving
Report

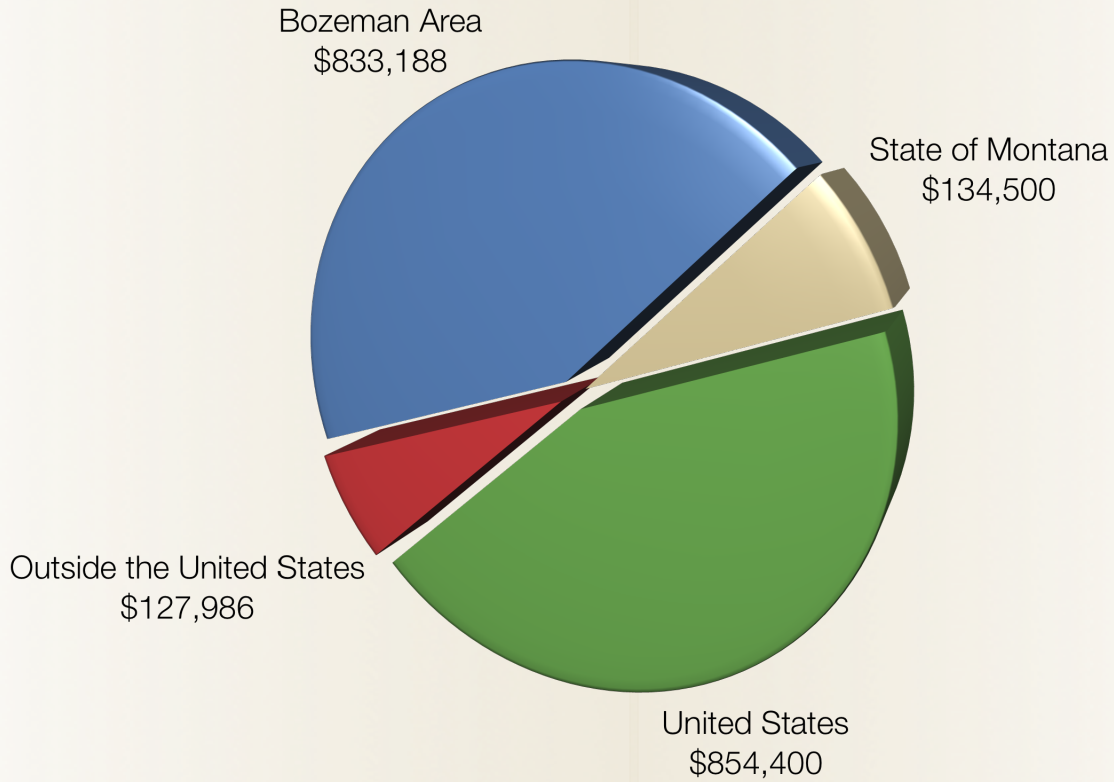

Creating lasting change...

Year in Review

It's wonderful when you can support organizations in your own backyard. We have provided for numerous groups in the Bozeman area this year, including construction of a classical, Christian school, resources for a health clinic and pregnancy caring center, and the local opera organization. Of course, we are not limited to our neighborhood. The foundation also supported a campus outreach program to Native American students at universities around the state and an organization dedicated to helping orphans in Uganda, to name a few. We are growing, and it is exciting to see our work touch people all over the world.

Take a moment to review the enclosed report. With every dollar spent, we are creating opportunities for lasting change in the lives of those who are benefitted.

Areas of Focus

While there are many worthy fields in philanthropy, we have chosen four areas in which to focus our giving so that our foundation can be most effective. Below is a general description of each focus area.

Jobs, Education, and the Family

These organizations work at levels ranging from local to international, advocating issues like school choice, quality education, religious freedom, economic improvement, and traditional family values.

Bozeman Arts and Culture

These organizations enhance the Bozeman community by providing local programs and cultural opportunities.

Valuing and Protecting the Vulnerable

These organizations work to help the hurting and lift people out of poverty by providing disaster relief, education, and emotional and spiritual support.

Christian Outreach and Discipleship

These organizations minister the Christian faith by sharing the gospel, providing discipleship, and supplying faith-based resources to individuals and families.

The Gianforte Family Foundation makes financial grants that equip people with the knowledge and means to improve their lives and circumstances for the long term, as well as creating lasting change in their communities.
